These discussions will be facilitated by Registered Clinical Counsellor Jamie McCrum, who has worked in frontline and management positions in the Community Living sector.

Please return completed registration form to your agency lead by March 12, 2021

Acknowledgement

1. I will protect the confidentiality of the group and not share information about any specific scenarios discussed by other group members outside the group. Sharing interventions and concepts is encouraged.
2. When discussing a specific scenario, I will only disclose information necessary for consultation and I will not share any identifying information regarding the people involved.

I _____ understand and accept the importance of this agreement above. I understand that this group allows the opportunity for myself and others to hear from and connect with other front-line workers. I acknowledge this opportunity is not a group counselling session; but rather a space to accept outside insight and support directly related to my line of work.
