Speaker: The Moose Hide Campaign began in BC as an Indigenous-led grassroots movement to engage men and boys in ending violence towards women and children, and it has since grown into a nationwide movement. On this day, communities across Canada commemorate Moose Hide Campaign Day with ceremony and fasting, and Moose Hide pins are worn.

Wearing the Moose Hide pin signifies a commitment to honour, respect and protect the women and children in your life and to work with others to end gender-based and domestic violence. Everyone is welcome to participate and you can learn more about the Moose Hide Campaign [here](https://moosehidecampaign.ca).
