My name Michelle Goos. I work at CLBC as a person with lived experience in a role called a Strategic Initiative Advisor.

I care about people using their voice to speak up for what they think is important. Did you know there is a provincial election coming up on October 19<sup>th</sup>? It's so important to vote so we can use our voice and make sure we are part of the changes we want to see for people with disabilities. The more people with disabilities who vote, the more change we will see!

That's why I want to share this voting package so self-advocates can learn about and practice voting and see how it's done. Then you'll be all ready to vote on October 19<sup>th</sup>!

Attached is a picture of me with a voting pop-up toolkit.

Here is information about how to order a voting toolkit for your self advocacy group to practice voting:
